

## DR JULIAN PAXTON

MBBS, MPH, FRACP

Dr Julian Paxton completed his medical degree at the University of Adelaide, and completed the majority of his training in Adelaide, although along the way he also worked in New Zealand and the Northern Territory. He completed his specialty training in Paediatrics in 1989 and was admitted to the Royal Australasian College of Physicians in that year. Most of his time in Paediatric Medicine has been spent in regional Victoria, ensuring a very broad experience in all areas of Paediatric care. In 2007 he moved to the Sunshine Coast for a change of environment, lifestyle, and climate.

Areas of interest include

- Neonatal care
- Learning issues and developmental medicine
- Complex patients requiring multidisciplinary care

Dr Paxton enjoys all aspects of Paediatric medicine.

Accreditations/Recognitions

- Member of Obstetric and Neonatal Services Committee  
The Sunshine Coast Hospital Buderim – Paediatrics

He has recently functioned as a reviewer of regional neonatal and obstetric services, at the behest of the Royal Australasian College of Physicians and the Royal Australian College Of Obstetricians and Gynaecologists. Dr Paxton was appointed a Senior Lecturer in the Monash University Mildura Regional Clinical School during his years in that region. Doctor Paxton has raised 5 children, 3 adult children living interstate, and 2 lingering at home!
