

The new home for medical specialists
in the Gympie Region.

Gympie Specialist Clinic
is a private stand-alone
practice, offering modern
consulting rooms for
visiting specialists and
permanent practitioners.

Located in the heart of the Gympie medical precinct, we offer

- Beautifully appointed specialist consulting rooms
- Fully equipped and purpose fitted with state-of-the-art technology and infrastructure, including medical gA building code compliant
- Full reception and administration services available
- Comprehensive medical imaging services located next door and pathology nearby
- Free accessible under cover parking and street level patient access
- WIFI connectivity with high speed NBN
- Treatment room and an on-site nursing assistant
- Quarterly education events for specialists and general practitioners.

The Gympie Specialist Clinic invites enquiries for casual and permanent leasing opportunities.

Flexible tenancy options available.
