

GYMPIE
SPECIALIST CLINIC

DR ROWLAND NOAKES

Dermatologist

MBBS, Dip RACOG, Grad Dip BioTech,
RACGP, FACD

Dr Noakes is a consultant dermatologist at Terrace Dermatology; and a visiting dermatologist at Greenslopes Private Hospital, Gympie Specialist & Diagnostic Centre at Cooloola Private Hospital in Gympie, Mater Day Unit in Mackay, and Rockhampton Mater Hospital. Dr Noakes graduated with an MBBS from the University of Queensland in 1980. Through working many years as a GP and extensive post graduate studies both in Australia and abroad, Dr Noakes has gained vast knowledge in many areas of medicine.

Dr Noakes joined the team at Terrace Dermatology after completing the Fellowship of the Australasian College of Dermatologists. He is interested in the treatment and prevention of all diseases of the skin, hair and nails. Dr Noakes has recently achieved accreditation to provide injectable treatments for Hyperhidrosis, and also has the expertise to carry out melanocyte transplantation procedures for vitiligo patients.
